**Your Local School Uniform Supplier**

We are pleased to have been appointed as a stockist of your school's uniform.

We have been trading here in Woolston since 1980, and pride ourselves on

**Quality, Service & Value,**

a reputation which is reinforced time and time again by comments from our customers. Many of them remember having their own uniform bought here when they were young !

One advantage of being local is that you can pop in at any time, there's no need to order.

We always aim to keep items in stock all year round

Alternatively, for your convenience you can also order direct from our website

[www.wearabouts.co.uk](http://www.wearabouts.co.uk) (click on the "Children" tab)

with postage paid delivery or through our increasingly popular Free "Click & Collect" service

These are the **badged** items we normally stock for your school

Please note prices are the same for all these sizes, these are NOT "from" prices
